WORKSHOPS & WEBINARS

Early Childhood Professional or a family member of a young child can attend our workshops/webinars for **FREE**. STAR NET provides **continuing education credit** (CPDU, CDA, CE, Gateways to Opportunity) for all workshops/webinars

TECHNICAL ASSISTANCE

STAR NET staff can provide support on early childhood related issues and program concerns. We also welcome the opportunity to visit classrooms and provide assistance to early childhood professionals and families. For more information or to request support visit <https://www.starnetchicago.org/technical-assistance>

RESOURCE LIBRARY

STAR NET's Resource Library loans early childhood professionals and families a carefully chosen selection of books, videos, DVDs, and kits for **FREE**. Browse titles (and request materials) online at www.starnetchicago.org/resource-center

CPS SUBSTITUTE FUNDING

Chicago Public School teachers can request funding for a substitute in order to attend a STAR NET V workshop. For more information or to request a sub visit www.starnetchicago.org/professional

FAMILY SUPPORT

STAR NET offers Family Fellowships, conferences, and training promoting family-centered perspectives. Family Resource Specialists, who are parents of children with special needs, are available to provide training, information, and support to families and providers.
